DISCIPLESHIP EXPLORED

This eight-session journey through Paul's letter to the Philippians is ideal for believers at any stage of the Christian life. It features brand new documentary-style films and inspiring real-life stories from around the world, Bible studies and weekly reading plans, and a beautifully redesigned Handbook.

It goes beyond simply teaching the right moves - go to church, pray, read the Bible, share the gospel - and focuses on the music which drives discipleship: the love of Christ. The greatest love anyone can ever know.
